PROFESSIONAL SUMMARY

Computer Science student at FAST NUCES with expertise in Full-Stack Development and MLOps. Experienced in building end-to-end ML pipelines and production-ready web applications for diverse clients. Proficient in cloud deployment using AWS and Docker, with a focus on scalable, high-impact software solutions.

TECHNICAL SKILLS

Languages: Python, C++, C, SQL, JavaScript, Assembly (COAL)

Web Development: HTML5, CSS3, Tailwind CSS, React.js, Node.js, Express, REST APIs

AI & MLOps: TensorFlow, Keras, ANN, CNN, Model Training, Scikit-learn

Tools & Platforms: Docker, AWS (EC2/S3), Git/GitHub, PostgreSQL, MongoDB, Postman

PROFESSIONAL EXPERIENCE

Career Development Intern

August 2025 – Ongoing

School of Insight and Leadership (SOIL)

- Bridging academic theory with professional practice through a growth-focused career learning program.
- Collaborating in a professional team environment to enhance organizational and soft skills.

Frontend Development Intern

2025

Webdev Masters

- Developing responsive user interfaces using modern React.js and Tailwind CSS components.
- Integrating frontend modules with Node.js backends for seamless data flow.

PROJECTS

Water Potability System (MLOps)

- Built an end-to-end ML application (ANN/CNN) using TensorFlow and Keras for water quality analysis.
- Automated workflows and containerized the system with Docker for scalable AWS deployment.

Incozi: Tax Consultation Platform

- Delivered a production-ready B2B full-stack web application for U.S. incorporation and tax services.
- Implemented secure user registration, database schema, and payment integration.

B2B Material Supply Platform

- Engineered a professional dark-themed interactive website for leather and material supply using Tailwind CSS.
- Designed catalog and inquiry systems specifically for the Pakistani B2B market.

MovieHive (Database Systems)

- Architected a relational database application for movie reviews, details, and watchlists.

EDUCATION

BS in Computer Science

Expected 2027

FAST National University of Computer and Emerging Sciences, Lahore

A-Levels: 2A, 2B | Beaconhouse College Program (2023)

O-Levels: 8As | Classic School System (2021)
